

## CCS's 2010 SAT Grade Equivalent Scores

**SAT's** – Below are statistics that illustrate the 'Grade Level Equivalent' that our students performed at on the average on the S.A.T.'s taken in **April 2010**. Included also are the April **2006** and **2007** and **2008** and **2009** scores for comparison's sake. (Note: 1.3 = first grade, 3<sup>rd</sup> month; 6.7 = sixth grade, 7<sup>th</sup> month; etc.) CCS does not pre-test students before enrolling. Instead, we welcome those whom God sends. Therefore, we have great diversity in ability and we focus on the basic skills students need to pursue their goals and become independent life-long learners. While we are always looking for ways we can improve and strengthen our program, we are very pleased with how our students performed.
